

CALL FOR ABSTRACTS

MSA

METABOLOMICS SOUTH AFRICA

**Annual Symposium and
AGM, 17th to 18th of
September 2024**

Note: No registration fees

ABSTRACT SUBMISSION GUIDELINES

Maximum of 250 words in total.

1. Abstract title
2. Contributing authors and affiliation
3. Contact details of the corresponding author
4. Background and Objectives
5. Method
6. Results
7. Conclusion

TIP: Draft your abstract in text format in MS Word or a similar program.

Please only use Arial plain font in 10 point. Paste your abstract into the designated section by clicking on the link below once you are ready for submission.

THEMES

- Metabolomics in Human Health and Disease
- Plants, Food, Environment and Microbial Ecosystems
- Technology Advancements and Quality Assurance
- Computational Metabolomics, Statistics, Bioinformatics and Omics integration
- Industry Spotlight

VENUE Thamsanga Kambule Auditorium, GJ Gerwel Building, UNISA Science campus, Florida, Johannesburg

IMPORTANT DATES

29TH JULY, 2024	12TH AUGUST, 2024	19TH AUGUST, 2024	17TH SEPTEMBER	18TH SEPTEMBER, 2024
Abstract submission opens	Abstract submission closes	Notification of acceptance as an oral or poster presentation	First day of the MSA Symposium	Second day of the MSA Symposium

**Affiliate of the International
Metabolomics Society (IMS)**
